This expanded Poplar model offers comfortable, flexible living with spaces designed to adapt to your lifestyle. A welcoming front patio sets the tone, while smooth ceilings, fresh carpet in select areas, and abundant natural light create a warm, inviting interior. The living room centers around a gas fireplace with recessed lighting, and the kitchen features stainless steel appliances and a gas cooktop, making it both functional and welcoming. A sunroom and a large additional room, previously used as a bedroom, provide excellent flexibility for guests, hobbies, or extended living. The backyard is a true highlight, offering a surprisingly tranquil feel with mature landscaping, a deck for relaxing or entertaining, and a generous lot of approximately one-fifth of an acre. A dedicated laundry area adjacent to the garage includes ample storage. Additional features include skylights, central heat and air, a walk-in tub designed for comfort and ease, recent exterior paint, a newer water heater, and sewer lines replaced in 2021. Located in Oakmont, an active-adult community with golf, pools, tennis, pickleball, bocce, a fitness center, clubs, and events, with nearby access to parks, trails, wineries, and award-winning Sonoma County dining.
